Lent starts this year on March 6. It is the period before Easter. It is a great time to prepare yourself and your children for Easter. Here are two great ideas you can do with your kids:

1. Look on the internet for “*resurrection eggs*”. There are many different ideas on the internet. Find one that suits your child(ren) and family life.
2. Another great idea leading up to Easter, is the *Jesse Tree* (or *Jesus Tree*). Again, check out the internet. There are many great ideas how to make one that fits your creativity and the kids.
