ROCKPOINTE MISSIONS

RockPointe Church Missions – Partners

God's mission for the church is to reach all nations and focus on those who are unreached. The **RockPointe Global Outreach Team (GO Team)** has spent time in prayer, listening to what God is saying about our role in His mission, especially as it relates to reaching the nations. The resulting desire of the GO Team is for RockPointe's global emphasis to focus on three main areas:

- Sharing the story of what God is doing around the world
- Effectively focusing on a few global partners that are engaged in God's mission to heal the broken, suffering & lost
- Regularly sending teams of people to these partners to enhance their impact for the kingdom

In order to facilitate these objectives, RockPointe has partnered with a number of individuals and organizations. These partners fall into one of the following categories:

- **Christian and Missionary Alliance (C&MA) International Workers** who are sent and supported by our denomination's Canadian national office
- **RockPointe Missionaries** who have obeyed God's calling to serve Him cross-culturally but are not under the umbrella of C&MA
- **Organizational Partners** which are kingdom focused organizations whose purpose, objectives, and values enhance RockPointe's commitment to heal the broken, suffering, and lost
- **Educational Interns** who are active RockPointe attendees participating in a kingdom/missions/ministry focused internship program through an educational degree program

Through in-depth development of a limited number of intentional partnerships, we believe that RockPointe can best leverage its resources to impact God's kingdom around the world. Profiles of two of our partners (Educational Interns) are shown on the reverse side.
