

# ROCKPOINTE MISSIONS

## PARTNER PROFILE

### **Encompass Partnerships: A Mission Agency for Calgary**

Some Calgarians live on the fringes of society. At the edge of our attention.

*Sex workers. Vulnerable youth. Immigrants. LGBTQ. Homeless. Disabled. Low income/ disadvantaged families. Muslims.*

Jesus refers to them as “the least of these”. They are that way because society (and sometimes even Christians), treats them as “other” and marginalizes them.

**Encompass Partnerships** is a mission agency currently focused on Calgary, utilizing a partnership approach to ensuring Christ’s Gospel is communicated and lived out to the edges of our society.

Currently 5 churches and 6 diverse ministries comprise a partnership community from which to inspire, plan and live out the gospel. (We are ready to add more!) Encompass’ NE facilities are a ministry hub, used by any partner as needed.

Mission is better done together. Our approach maximizes financial & facility resources and leverages our mission energy, coaching and relationships for greater impact.

To know more about our mission, our partners or how to be a prayer, financial or ministry partner in our ministry, contact us:

# ROCKPOINTE MISSIONS

## RockPointe Youth Local Mission Trip

August 1 - 5, 2016 • Calgary, AB

From August 1 – 5, a group of 13 students and leaders led by Youth Pastors **Keith Lihaven** and **Brent Sellers** will be participating in our first ever **Local Short Term Mission Trip**. We are so excited for this amazing opportunity to reach out to our community and city. Throughout the week we will serve at a senior's home, do work projects in a community that we've been partnering with for the past several years, spend time in Morley, and host a sports camp for refugee kids (at Encompass Partnerships) that will include a meal for their families. We are looking forward to serving in a tangible way with partners who we can continue to build relationships with. God has been showing us that missions opportunities are all around us, and to participate in God's plan for reaching the nations of the world, you don't need a passport! We hope to make His name famous in Calgary this summer!

### Prayer Points

- That our students and leaders will be empowered to evangelize and share faith with people we build relationships with this summer.
- That our fundraising goals of \$350 per participant plus an extra \$10,000 for our day camps and other project costs would be met, and that we would even go above and beyond to be able to support ministries in our city that are working with the least reached.
- That our team would be unified and serve well together.
- That we would have good health and energy to serve with excellence in all we do.
- That each team member would grow in their relationship with God, gain clarity for how He's wired them, and hear what He is speaking to them.
- That many would respond to the call to volunteer for the day camps.
- That people would come to know Jesus!

### How You Can Help!

- We will be hosting a **Bake Sale** and **Bottle Drive next weekend** (July 23/24)! Be sure to visit the Bake Sale tables after the weekend service and bring your empty bottles to church as well!
- If you would like to volunteer (athletes, greeters, set up/tear down, food service and more!) at our sports camps for refugee kids on August 4 & 5, please email **Alexa** at [awalcott@rockpointe.ca](mailto:awalcott@rockpointe.ca).
- Join our prayer team by emailing **Alexa** at [awalcott@rockpointe.ca](mailto:awalcott@rockpointe.ca).
