## PARTNER PROFILE

### Anna Sinclair

**Anna Sinclair** is a student at Ambrose University, currently pursuing her Bachelor of Ministry with a major in Intercultural Studies. As a part of this program, she will be heading to **Mexico City** in early January to complete a 10 month internship. Anna started attending RockPointe Youth in Grade 7 and since graduating high school, she has been an active volunteer with our youth ministry. Anna developed a heart for missions when she was 16, and decided to pursue a degree in such a field to steward that passion!

Anna will be partnering with an internship program called **Avance**, and through this program, has been paired with a ministry called **El Pozo de Vida** (Well of Life). EPDV is an anti-trafficking ministry that seeks to alleviate human trafficking in Mexico. Anna is very excited to take the passion God has given her and what she has been learning in university and see it practically applied to her work in Mexico.

To learn more about her internship, email Anna at [asinclair@my.ambrose.edu](mailto:asinclair@my.ambrose.edu).

### Prayer Points

- Anna has been dealing with various health issues that have the potential to worsen with travel. While she has seen improvement over the past couple months, please pray for God's continued healing and protection.
- Mexico City is a very oppressive environment, and even more so in the world of human trafficking. This can only be combated through a commitment to united prayer. Please pray for God's spiritual protection over Anna.
- Pray for the girls Anna will work with at EPDV - pray that God would soften their hearts and give Anna the wisdom to minister to them well.
- Praise for God's provision as Anna has been fundraising. She still needs \$1,000 to meet her fundraising budgeted goal. Please pray that God would continue to lead people to give generously.

## Five Regions of Alliance Missions

As a member church of the Christian & Missionary Alliance in Canada (C&MA), we picture our global outreach ministry as taking place in five distinct regions of the world known as the **Five S Regions**.

**Anna Sinclair** (see reverse side) will be serving in what is known as the Caribbean Sun Region. The **Caribbean Sun Region** stretches from Mexico to Argentina and from the Pacific coast of Central America across the islands of the Caribbean Sea.

In Central and South America there has been significant response to the Gospel in the last 100 years. However, there are still unreached places and myriads of oppressed peoples and these are our focus.

International Workers see hope and freedom emerge in the people with whom they live their daily lives. By God's amazing grace, transformational movements are being created in the **Caribbean Sun Region**.
