CRAVE Mission Trip to Jordan

From April 30th to May 7th, a team of 7 young adults who have been a part of the **CRAVE discipleship program** will be traveling to **Jordan** to support the **Alliance Church in Mafraq** with their ministry to Syrian Refugees. This is the second young adults team to partner with Mafraq Alliance and we are very grateful for this opportunity to continue to build this relationship. The team will spend their time serving alongside the local church staff and volunteers in caring for refugees by helping with distribution of basic necessities and visitations, as well as encouraging and connecting with the volunteers and ministry staff.

Prayer Points

- Ask God to fill the pastors and volunteers who serve at Mafraq Alliance Church with His Holy Spirit and give them strength and wisdom as they build relationships and share God's love.
- Pray for the many displaced Syrian families the team will meet - that they would come to know Jesus through interactions with the Christians serving them.
- Pray for Syrian children. Many face safety and wellness issues. Ask God to protect them and pray that they would come to know Jesus through loving adults who care for them.
- Pray for unity, health and safety for the team but above all, they desire to be vessels of God's love to everyone they meet so pray that everything they do would be for His kingdom and His glory!
- Ask God to awaken hearts to the vast need that has resulted from the conflict in the Middle East. Pray that we would all be moved to action in practical ways that help meet needs and demonstrate the heart of God.

Five Regions of Alliance Missions

As a member church of the Christian & Missionary Alliance in Canada (C&MA), we picture our global outreach ministry as taking place in five distinct regions of the world known as the **Five S Regions**.

The CRAVE Jordan Team (see reverse side) will be serving in what is known as the **Silk Road Region**. For more than 2,000 years the Silk Road trade route linked east and west in culture, as well as in trade. Today it symbolizes our efforts to reach people in three vibrant and unique sub-regions: Europe, the Middle East, and Central Asia.

The region stretches from Turkey to northeast China and from Iran, through the Central Asia 'stan' nations down to the tip of the Arabian Peninsula.

The early Church spread throughout the entire region using these early trade routes; today our partner International Workers tread these same roads with a determination to share Jesus with the people groups of the **Silk Road Region**.
