### *Opening Questions*

- Can you recall a time in your life where someone came and served you with the love of Christ, and you felt His presence through that situation?
- Can you tell us a time where you came and served someone in the light and love of Christ and felt His presence guide and direct you in it?

### *Read Together*

Matthew 25:31-48

### *Big Idea*

We shine in our world today by serving those in need.

### *Discussion Questions*

1. How does the grace of God and his call to serve work together in our salvation? Is this text saying that we can earn our salvation, or is there something else going on here?
2. What do our actions have to do with Christ, and his imminent return?
3. Coupled with Matt's message on judgement last week, and this weeks message what is God calling us to do as believers?
4. If you were to give yourself a report card grade based on the practical guide of discipleship that Jesus has been given here – feeding the hungry, giving drink to the thirsty, inviting in a stranger, clothing the naked, helping the sick, and visiting those in prison – what would your grade be?
5. What did Alanna and Geoff mean when they said, "Come get your hearts broken."?
6. During the interview Alanna and Geoff spoke about many ideas where we would serve – did any of those touch areas of 'Holy Discontent' in you? Why?
7. Do we often choose the easy way over the right way? What does this look like in our lives? What could we do to put a stop to this?
8. Geoff and Alanna said, "You don't have to do everything, but you have to do something." What is one thing you could you do this week to enter in? What is one thing you could work toward for longer term engagement?

### *Challenge*

- Find a way to serve those in need together.
- What could we do individually to serve those around us?

### *Prayer*

Pray and ask God – listen to Him on who he is guiding you to go out and serve. There is someone in your sphere of influence who needs His touch – spend time in quietness in the group – ask the question and listen for God's guidance. Do something about it this week and then come back and report to the group.
