

Spend a few minutes individually answering any/all of the following questions:

1. Has God ever given you some type of direction before? Explain.

2. Have you ever received direction in response to a specific question you asked God? Explain.

STOP!! Don't go beyond this point until receiving further instruction.

3. Ask God one of the following questions in prayer, and then listen to what he has to say:

- a. Lord, where do I need your guidance and leading in my life?
- b. Lord, what is my next step in regards to _____ ?
- c. Lord, do you have any specific direction for me that I have not been hearing or not been following through on?

Remember: God often speaks to us through a word, a picture, a verse, or a thought.

Spend no less than 30 minutes per day - more if you can

1. Using these suggested prayer topics, choose at least 1 or 2 to ask God about daily. Record the date and topic in your journal.
 - » Yourself
 - » Your Spouse (if you are not married pray for your future spouse)
 - » Ministries you are involved with
 - » Work
 - » Extended family (parents, brothers, sisters, cousins, grandparents, etc.)
2. Write down the question(s) you have about this topic and ask God to speak to you as you read His Word.
3. Each day this week, carefully read a chapter(s) from Psalms, and a chapter(s) from John. Or you may choose to revert to your own Bible reading plan at this point. If a word, phrase, sentence, or passage in your reading speaks to your question, write it down below or in your journal.
 - » In listening prayer after your reading, ask God to give you a word, thought, picture or verse to either get direction, or confirm the direction you think you're receiving.
